Hard Skill

- HTML&CSS
- Java
- C
- Python

Soft Skill

- Time Management
- Teamwork
- Leadership
- Communication
- Positive Attitude

Education Background

● **2020 - 2024 (pursuing)**

B. Tech in Information Technology with 8.86%
V.S.B Engineering College, Karur

● **2019 - 2020**

HSC with 76.5%
St. Theresa's Girls Hr. Sec. School, Karur

● **2017 - 2018**

SSLC with 93.8%
St. Theresa's Girls Hr. Sec. School, Karur

Inplant Training

Completed In-Plant Training in **"Web Development"** at Codebind Technologies

About Me

I am a talented B.Tech student with a robust academic background and the ability to analyze problems and formulate effective solutions. I am currently seeking a job where I can demonstrate my abilities and further to expand my knowledge of new and emerging trends in the IT sector.

Mini Project

● **WIFI Deauthentication and Attack Monitoring**

This project aims to monitor and detect WiFi deauthentication attacks using an ESP8266-based device (compatible with Arduino), an SSD1306 OLED display, and essential electronic components. The project scans wireless networks and monitors deauthentication packets.

● **Webpage for a restaurant - Link**

This is a homepage for a restaurant created using HTML, CSS, and Javascript. It includes a brief introduction to the restaurant, categories of available food, a menu list, a customer feedback section, and concludes with a contact us form.

Certifications

- DataStructures&Algorithms using java **(NPTEL)**
- Programming in java **(NPTEL)**
- Big Data Analytics **(Naan Mudhalvan)**
- Microsoft Azure Fundamentals

Area of Interest

- Data Structures
- Object Oriented Programing Concepts
- Webpage designing

Achievements

YOUTH-TALKATHON-2022:

Participated in ICT-Talkathon "Pre Region" Level.
